About the Villa

This exceptional beachfront estate is located on Marbella's prestigious Golden Mile. The property is an idyllic retreat, perfect for those seeking an exclusive, secluded haven of relaxation and indulgence. Upon entering the magnificent entrance hall, you'll be enchanted by the breathtaking beauty of the central courtyard, offering a truly unforgettable experience.

Sprawling across a plot of 11,800m², with 2,635m² of exquisitely designed living space, this stunning property offers the ultimate luxury retreat for those seeking an exceptional experience.

This historic Villa is a masterpiece of architectural design. It was built in 1968 in Andalusian Moorish style by the architect Robert Moshier, who studied under Frank Lloyd Wright. Every detail of the estate reflects his exceptional vision and impeccable taste, with carefully selected features and finishes throughout.

This spectacular property offers 15 bedrooms, distributed throughout the main house, guest house, and poolhouse. Additionally, there are 5 bedrooms available in the service house for staff or additional guests, providing ample space for large groups or events.

In addition to the luxurious bedrooms, the Villa offers an array of exceptional amenities, including a sauna, gym, cinema, and two pools, including a heated infinity pool, ensuring that every need is catered for. The property's lush, immaculately maintained gardens provide a tranquil sanctuary for moments of quiet reflection.

The Villa is an ideal location for lifestyle family vacations, corporate events, and dream weddings, with staff on hand to attend to every detail of your stay. Enjoy the amenities of a 5-star resort while reveling in the total privacy that this exclusive estate offers. The Villa also offers an additional array of bespoke services, including personal chef services, yoga classes, private transfers, massages, bookings, yacht charters, and childcare services, to ensure that every desire is met.
